

Shramjivi Shikshan Prasarak Mandal's

DTE Code 2619

# Shramjivi College of Pharmacy

In Front of MSEB Sub-Center, NH-65, Mumbai – Hyderabad National Highway, Omerga, Dist. Dharashiv - 413606

# What is Pharmacy

Pharmacy refers to the field of study and practice related to pharmaceutical sciences, which involves the discovery, development, production, and distribution of drugs and medications.

# Scope of Pharmacy

Pharmacy education in India provides students with a comprehensive understanding of pharmaceutical sciences and prepares them for rewarding careers in various sectors of the healthcare and pharmaceutical industry.

India's pharmaceutical industry is one of the largest in the world. The Indian pharmaceutical market is expected to reach USD 130 billion by 2030, driven by factors such as increasing healthcare expenditure, growing population, and rising demand for generic drugs.

# Course Details

Diploma in Pharmacy (D. Pharm)

## Duration

02 Years

## Eligibility Qualification

HSC Science Pass

## Course Fees Structure

Category	1 <sup>st</sup> Year	2 <sup>nd</sup> Year
OPEN/OBC/EWS	Rs. 33,870/-	Rs. 33,870/-
VJ-NT/ SBC/TFWS	Rs. 5,739/-	Rs. 5,739/-
SC/ST	No Fees	No Fees
ACAP / IL	Rs. 62,000/-	Rs. 62,000/-

# What Will You Learn In This Course?

---

Review the Prescriptions

---

Dispense Prescription / Non-Prescription Medicines

---

Provide Patient Counselling / Education

---

Hospital and Community Pharmacy Management

---

Expertise on Medications

---

Proficiency on drugs / pharmaceuticals

---

Entrepreneurship and Leadership

---

Deliver Primary and Preventive Healthcare

---

Professional, Ethical and Legal Practice

---

Continuing Professional Development

# Core Subjects

## D. Pharm 1<sup>st</sup> Year

- Pharmaceutics
- Pharmaceutical Chemistry
- Pharmacognosy
- Human Anatomy & Physiology
- Social Pharmacy

## D. Pharm 2<sup>nd</sup> Year

- Pharmacology
- Community Pharmacy & Management
- Biochemistry & Clinical Pathology
- Pharmacotherapeutics
- Hospital & Clinical Pharmacy
- Pharmacy Law & Ethics

# Teaching Hours, Practical & Assignments

D. Pharm 1<sup>st</sup> Year

S. No.	Course Title	Course Abbreviation	Course Code	Teaching Scheme			
				Teaching Hours	Practical Hours	Tutorial	Assignments
1	Pharmaceutics	PHT – Theory PHP – Practical	20111 20051	75	75	25	03
2	Pharmaceutical Chemistry	PCT – Theory PCP – Practical	20112 20052	75	75	25	03
3	Pharmacognosy	PYT – Theory PYP – Practical	20113 20053	75	75	25	03
4	Human Anatomy & Physiology	HPT – Theory HPP – Practical	20114 20054	75	75	25	-
5	Social Pharmacy	SPT – Theory SPP – Practical	20115 20055	75	75	25	03

# Teaching Hours, Practical & Assignments

D. Pharm 2<sup>nd</sup> Year

S. No.	Course Title	Course Abbreviation	Course Code	Teaching Scheme			
				Teaching Hours	Practical Hours	Tutorial	Assignments
1	Pharmacology	PGT – Theory PGP – Practical	20221 20056	75	50	25	03
2	Community Pharmacy & Management	CMT – Theory CMP – Practical	20222 20057	75	75	25	03
3	Biochemistry & Clinical Pathology	BCT – Theory BCP – Practical	20223 20058	75	50	25	03
4	Pharmacotherapeutics	PTT – Theory PTP – Practical	20224 20059	75	25	25	-
5	Hospital & Clinical Pharmacy	HCT – Theory HCP – Practical	20225 20060	75	25	25	03
6	Pharmacy Law & Ethics	PLT – Theory	20226	75	-	25	03

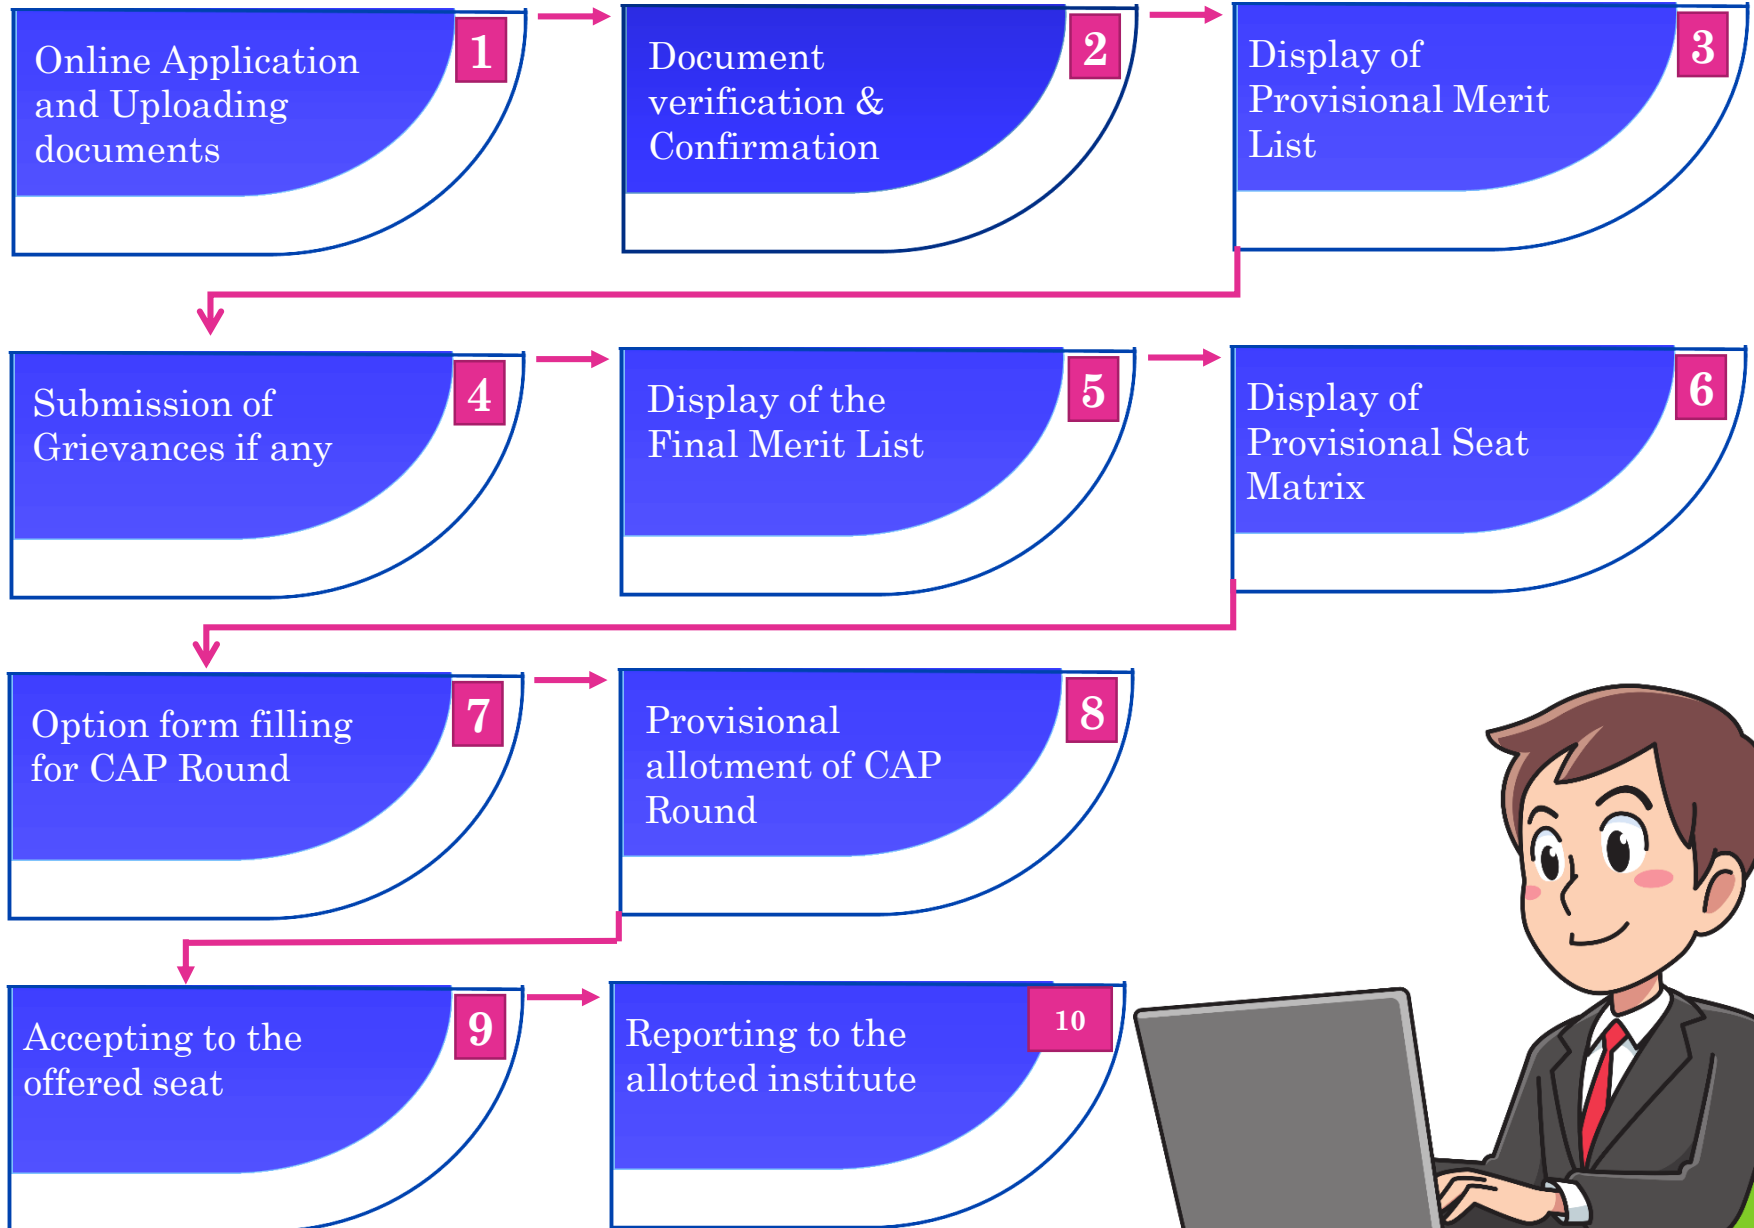

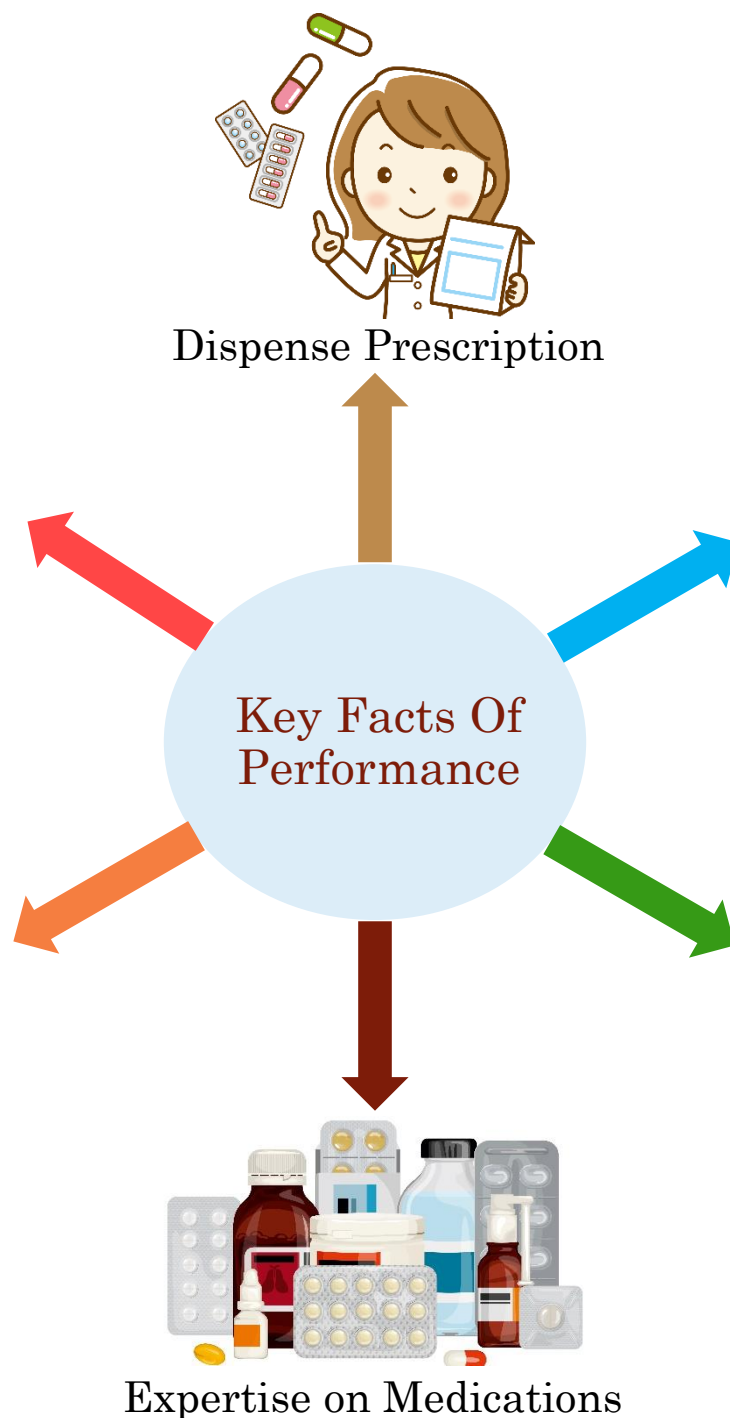

# Documents needed to get in

- HSC Science Marksheet
- SSC Marksheet / Passing Certificate
- College Leaving Certificate (TC)
- Nationality / Domicile Certificate
- Caste Certificate (SC/ST/VJ/DT/NT/OBC/SBC)
- Non-creamy layer certificate (VJ/DT/NT/OBC/SBC)
- Income Certificate / EWS Certificate

# D. Pharm Admission Procedure

# Career Path

- India is a large country with a population of roughly 130 million people, therefore there is a great need for medications.
- The future of pharmacy is too bright, due to the emergence of numerous significant and global pharmaceutical businesses.
- As a result, the field of pharmacy offers several careers, scopes, and job prospects.
- Candidates with a D. Pharm course have a variety of job options. They have career options in both the public and private sectors.

Pharmacist

Own Business

Pharmaceutical Industry

What after D. Pharm

# Pharmacist

1. Clinical Pharmacist – The candidate can start his career as a clinical pharmacist in Government Hospitals and Retail drug stores. A typical workday involves interacting with patients, dispensing over-the-counter medication, and educating customers on the risks and proper administration of prescriptions.
2. There is also an opportunity to start own business (Community Pharmacist) – as a retail or wholesale drug store.

Job Profile	Average Annual Salary
Clinical Pharmacist	1.4 - 1.8 LPA
Government Pharmacist	4.57 LPA

**What after  
D. Pharm**

Pharmacist

Own Business

Pharmaceutical  
Industry

Higher Studies

# Pharmaceutical Industry

3. The pharmacy niche is rapidly expanding as more pharmaceutical companies are investing in the research and development of new drugs. An industry pharmacist is highly business-oriented rather than involved with direct patient care. This role can focus on various departments such as marketing, sales, or production. If you would instead work in a behind-the-scenes capacity, this industry may be an excellent choice for you.

Job Profile	Average Annual Salary
Marketing / Sales Representative	1.8 – 2.16 LPA
Production	2.16 – 2.88 LPA

What after  
D. Pharm

Pharmacist

Own Business

Pharmaceutical  
Industry

Higher Studies

# Higher Studies

- The most suitable course after D. Pharm (Diploma in Pharmacy) is B. Pharm (Bachelor of Pharmacy) (lateral entry) option because it's a graduate qualification in pharmacy, that opens a plethora of opportunities for the pharmacists.

with at least 45 % marks (at least 40 % marks in case of candidates of Backward Class categories, EWS and PWD category belonging to Maharashtra State)
